

Cost Of Loving

Right Said Fred

Sunny side up if you're asking
Yes, I think I'm free all day
Under the sun of love we are basking
Day follows night into day

You know I'm sold on you
I want to spend, spend, spend my time
You know I'd buy that smile
Just to see it one more time

The cost of loving is rising
I can't afford to let you go
And now I'm through analysing
How much I love you
And I always will do
That's the cost of loving you
The cost of loving you

Daddy would have called you a keeper
Yeah, he knew what was good for me
I'm all ears and peepers
Looking out for my baby

I'd throw a double six for you
Bet it all on my queen of hearts
And for those priceless eyes
There's no charge

The cost of loving is rising
I can't afford to let you go
And now I'm through analysing
How much I love you
And I always will do
That's the cost of loving you
The cost of loving you

You know I count my blessings
Each and every single day
Depend on your caressing
To blow my lonely blues away

You know I'm sold on you
I want to spend, spend, spend my time
You know I'd buy that smile
Just to see it one more time

The cost of loving is rising
I can't afford to let you go
And now I'm through analysing
How much I love you
And I always will do

The cost of loving is rising
I can't afford to let you go
