

# I Ain't Your Guy

Right Said Fred

I ain't your guy  
I ain't your guy  
I ain't your guy

I can't say I love you but I know what you mean  
I can't send you flowers girl it just isn't me  
I can't stop the rain falling out of the sky  
If that's what you want baby  
I ain't your guy, I ain't your guy

Common sense it don't apply  
You're off on one and I don't know why  
You and I should see eye to eye  
So come on, you know me  
What you see is what you get but you ain't got it yet

I can't say I love you but I know what you mean  
I can't send you flowers girl it just isn't me  
I can't stop the rain falling out of the sky  
If that's what you want baby  
I ain't your guy, I ain't your guy

So how can we make amends  
When contradiction rules again  
Cos you and I, we're more than friends  
So come on, you know me  
What you see is what you get but you ain't got it yet

I can't say I love you but I know what you mean  
I can't send you flowers girl it just isn't me  
I can't stop the rain falling out of the sky  
If that's what you want baby  
I ain't your guy, I ain't your guy

I ain't your guy, I ain't your guy  
I ain't your guy, I ain't your guy  
I ain't your guy, I ain't your guy
