

I Am a Bachelor

Right Said Fred

Hit me like a drug, hit me, hit me like a drug
Hit me like a drug, hit me, hit me like a drug

Hello
Why don't you come over?
Hello
And curl up on my sofa
Well you know I wrote yer this song
But I don't wanna keep banging on
Hit me like a drug, hit me, hit me like a drug
Hit me like a drug, hit me, hit me like a drug

Hello
I'll pour a vodka soda
Hello
Can I get my leg over?
Well you know I wrote yer this song
But I don't wanna keep banging on

Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Hit me like a drug, hit me, hit me like a drug
Hit me like a drug, hit me, hit me like a drug

Hello
Why don't you come over?
Hello
In that red pullover
Cos you know I bought yer this thong
And you know I wanna see you put it on

Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
Why don't you come over I am a bachelor
