

Lord Have Mercy

Right Said Fred

Lord have mercy on my tired own bones
Lord, Lord have mercy on my, lord have mercy
Lord have mercy on, lord have mercy on
Lord have mercy on, lord have mercy on
Lord have mercy on, lord have mercy on
Lord have mercy on, lord have mercy on
Lord have mercy on my tired own bones
Lord have mercy on my tired own bones
Lord have mercy on my tired own bones
Lord have mercy on my tired own bones

Lord can't you reach me on my mobile phone
Lord can't you reach me on my mobile phone
Can't you reach me on my mobile phone
Can't you reach me on my mobile phone

I've read the bible, I've read the koran
Voodoo in Tahiti, Shinto in japan
Oh mercy, mercy, mercy, mercy me
I've seen the god's in the sun and the rain
But the devil's in the detail, I can't explain
Oh mercy, mercy, mercy mercy me
Lord have mercy, lord have mercy
Lord have mercy, lord have mercy

Lord come closer while I tell my tale
Lord come closer while I tell my tale
Lord come closer while I tell my tale
Lord come closer while I tell my tale

I've read the bible, I've read the koran
Voodoo in Tahiti, Shinto in japan
Oh mercy, mercy, mercy-mercy me
I've seen the god's in the sun and the rain
But the devil's in the detail, I can't explain
Oh mercy, mercy, mercy-mercy me
Lord have mercy on my tired own bones
Lord have mercy on my tired own bones
Lord have mercy, Lord have mercy

I've read the bible, I've read the koran
Voodoo in Tahiti, Shinto in japan
I've seen the god's in the sun and the rain
But the devil's in the detail, I can't explain

Oh mercy-mercy, oh mercy-mercy
Oh mercy-mercy, mercy-mercy me
Oh mercy-mercy, oh mercy-mercy
Oh mercy-mercy, mercy-mercy me
