

Mr. Bad Vibe

Right Said Fred

Mr bad vibe
Stay away from my house Mr bad vibe
Mr bad vibe
Soap and water your mouth Mr bad vibe
Don't you stray, don't you lay none of your bad vibes my way

Mr bad vibe
Drink it while it's fizzy, that's my advice
Mr bad vibe
Never be too busy for laying down a good vibe
Don't you stray, don't you lay none of your bad vibes my way

I could say "it's good to see you"
I could fake a wink and smile
I say black you say white, I say day you say night
Mr bad vibe

Mr bad vibe
I've found that first impressions are normally right
Mr bad vibe
I found your true confessions a little on the sad side
We'll surprise you one day when our good vibes come your way

I could say "it's good to see you"
I could fake a wink and smile
I say black you say white, I say day you say night
I say gay you say straight, I say love you say hate
I say yes you say no, I say come you say go
Mr bad vibe, Mr bad vibe, Mr bad vibe
I say black you say white, I say day you say night
Mr bad vibe

Mr bad vibe
Never think I'm joking just cos I smile
Mr bad vibe
You're clever but you're no king of lies and denial
Don't you stray, don't you lay none of your bad vibes my way

I could say "it's good to see you"
I could fake a wink and smile
I say black you say white, I say day you say night
Mr bad vibe
