

Radio

Right Said Fred

Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah

I called her up on the telephone
Yeah, yeah, yeah
We walked awhile so we could be alone
Yeah, yeah, yeah
'Cause a man's gotta do what a man's gotta do
There's something I want to say to you
Yeah, yeah, yeah

Just before I say to you
Yeah, yeah, yeah
What I've been meaning to say to you
Yeah, yeah, yeah
Now don't go getting the wrong idea
There's something I want you to hear

You turn me on like a radio
You tune me into the late show
Singing it, singing it soft and low
You turn me on like a radio

You tune me into the late show
Singing it, singing it soft and low
Kissing it, kissing it I'll explode
You turn me on like a radio

She called me back a little later on
Yeah, yeah, yeah
Hey hun, there's a lot of fun
Yeah, yeah, yeah
Waiting out there to be had
It's good fun baby being bad
Yeah, yeah, yeah

We slipped away into the dead of night
Yeah, yeah, yeah
Skinny dipping we're as high as kites
Yeah, yeah, yeah
In and out with the midnight tide
There's nothing I want to compromise

You turn me on like a radio
You tune me into the late show
Singing it, singing it soft and low
You turn me on like a radio

You tune me into the late show
Singing it, singing it soft and low
Kissing it, kissing it I'll explode
You turn me on like a radio

I called her up on the telephone
Yeah, yeah, yeah
Hey baby don't you sigh and moan
Yeah, yeah, yeah

A girl's gotta do what a girl's gotta do
There's something I wanna hear from you
Yeah, yeah, yeah

You turn me on like a radio
You tune me into the late show
Singing it, singing it soft and low
You turn me on like a radio

You tune me into the late show
Singing it, singing it soft and low
Kissing it, kissing it I'll explode
You turn me on like a radio

Yeah, yeah, yeah
You turn me on like a radio
Yeah, yeah, yeah
You turn me on like a radio
Yeah, yeah, yeah
