

Raining in England

Right Said Fred

I'm not sure if the sky is blue
I'm not sure if the truth is true
I'm not sure if you love me too
But I know it's raining in England

I'm not sure if the red sea's red
I'm not sure if we're being misled
I'm not sure if Elvis is dead
But I know it's raining in England

Rain down on me, it's raining in England
Rain down on me, it's raining in England
It's raining in England

I'm not sure if the truth will out
I'm not sure what it's all about
I'm not sure if I'm in or I'm out
But I know it's raining in England

I'm not sure if crime don't pay
I'm not sure if religion saves
I'm not sure if the world is a stage
But I know it's raining in England

Rain down on me, it's raining in England
Rain down on me, it's raining in England
It's raining in England

Rain down on me, it's raining in England
Rain down on me, it's raining in England
Rain down on me, it's raining in England
Rain down on me, it's raining in England
It's raining in England

I'm not sure if the sky is blue
I'm not sure if the truth is true
I'm not sure if you love me too
But I know it's raining in England
