

Sexy Bum

Right Said Fred

I like 'em big
I like 'em small
When push comes to shove, it's like 'em more
I like a peach
I like a pear
Oh I go bananas when your bottom's bare
So won't you wrap your lovin' arms around me
And feel it like I do

You make me go sexy bum, sexy bum, sexy bum, my love
You make me go sexy bum, sexy bum, sexy bum, my love
You make me go...
Aye aye aye aye aye sexy bum
Aye aye aye aye aye sexy bum

I like 'em proud
I like 'em pert
I like the way you shake it baby in your skirt
I like 'em cute
I like 'em sublime
I wanna concentrate on your behind
So won't you wrap your lovin' arms around me
And feel it like I do

You make me go sexy bum, sexy bum, sexy bum, my love
You make me go sexy bum, sexy bum, sexy bum, my love
You make me go...
Aye aye aye aye aye sexy bum
Aye aye aye aye aye sexy bum

Sexy bum
Sexy bum
Sexy bum
Sexy bum

We've all got one
But some are really hot
They're half way from the bottom and half way from the top
We've all got one
But some are really hot
They're half way from the bottom and half way from the top

Aye aye aye aye aye sexy bum
Aye aye aye aye aye sexy bum

You make me go sexy bum, sexy bum, sexy bum, my love
You make me go sexy bum, sexy bum, sexy bum, my love
