

Something In Your Eyes

Right Said Fred

Never thought I could wait so long
Never thought I could be somebody so strong
No need for persuasion
On this occasion You got a hand,
you know how to play it
You got a thought and you know how to say it

'Cause there's somethin' in your eyes
That does me so much good
Somethin' in your eyes
And it's in my neighbourhood
Well it can be hard to find
But when you find it ain't it good
Oh I'm in paradise
And I pity any paradise that don't have you

So pretty, so mine, so right here
I never thought a love so rare
could come so near
I ain't scared of believin'
I don't care if I'm dreamin'
I got a chance I know I can take it
I've got a heart and I know you can break it

'Cause there's somethin' in your eyes
That does me so much good
Somethin' in your eyes
And it's in my neighbourhood
Well it can be hard to find
But when you find it ain't it good
Oh I'm in paradise
And I pity any paradise that don't have you

'Cause there's somethin' in your eyes
That does me so much good
Somethin' in your eyes
And it's in my neighbourhood
Well it can be hard to find
But when you find it ain't it good
Oh I'm in paradise
And I pity any paradise that don't have you
