

Stick It Out

Right Said Fred

I tell you what
Relief said Fred, pop pickers
Stick it out, right?
Not 'alf

When you're on the doctor's couch you've got to
Stick it out
You wanna be a world champ, you've got to
Stick it right out
So don't be afraid to risk it
You know you must stay optimistic
You gotta laugh
If you stick it out

Yeah, yeah, yeah, yeah
Who says white people have no rhythm?

Clean your teeth with your feet
Hug a bus or two
Take a sprout for a walk
Make a sand igloo
And if they fail to see you
Stick it out so they can feel you
You gotta laugh
Yeah
If you stick it out
Stick it out, ya gotta stick it out

You can help somebody you may never meet
For example, why not just skip with balloons between your knees?
(Those aren't balloons, actually. Oh. yes)
From the top of a tall erection
(Building! Building! It's a building)
You can hear a sound in your direction
Stick it out (Stick it out!)
And make yourself laugh
(Come on, have a laugh! Have a laugh!)
(Have a laugh, dear! Come on!)

My name is Michael Caine
You can stick it out quietly
Or you can stick it out loudly

And if they fail to see you
Stick it out so they can feel you
You're gonna laugh
Yeah
If you stick it out
Stick it out, ya gotta stick it out

How many times did your mum and dad say to you?
(Stick it out! Stick it out!
To me! And me!)
If you can't stick it in
Then stick it out too
(Na na na na, na na-na na na na)
I told you so, we're winning

I even saw a bank manager grinning
Stick it out
Stick it out, ya gotta stick it out
Stick it out, ya gotta stick it out

You see, the trouble with Fred is
He's too hasty
Now, you never get nowhere if you're too hasty
Say, what you gotta do Fred
You have gotta stick it out

Stick it out
Stick it out, stick it out, stick it out
Stick it out, come on
Stick it out
Stick it out
Stick it out, ya gotta stick it out
Stick it out, ya gotta stick it out

Stick it out
