

Sunshine Sex Drive

Right Said Fred

Is it all you when we're happy?
Is it all me when we're sad?
Is it all you in the good times?
Is it all me in the bad?
Is it all you when the sun shines?
Is it all me when it rains?
Is it all you with the sex drive?
Is it all me with the headache?
Hey oh yeah funky

Kitty oh kitty
How can I put this
Kitty oh kitty
Kitty read my lips
The nitty and the gritty
Of this love stuff
My pretty my sweet kitty
I don't wanna play now

This is not a rap just a conversation with myself
Conversation and consultation
Tear it all apart and reassemble it ourselves
Losing patience with conversation, conversation

Is it all you when we're happy?
Is it all me when we're sad?
Is it all you in the good times?
Is it all me in the bad?
Is it all you when the sun shines?
Is it all me when it rains?
Is it all you with the sex drive?
Is it all me with the headache?
Ooh yeah
There's a party over here
There's a party over there

Kitty oh kitty
Kitty don't push this
Kitty oh kitty
Can you read my lips?

This is not a rap just a conversation with myself
Conversation and consultation
This is all I need
On top of parking fines and stress
Losing patience with conversation, conversation
