

Tide

Right Said Fred

Tide rollin' in
Tide rollin' in
Tide rollin' in
Tide rollin' in

Tide rollin' in
Tide rollin' in
Tide rollin' in
Tide rollin' in

Love, friends and family
Have been so good to me
Wine, food and flattery
Have been so good to me

Little by little and lot by a lot
Let's be happy with what we've got

Tide rollin' in
Tide rollin' in
Tide rollin' in
Tide rollin' in

Life and fantasies
Have been so good to me
Cars, hats and pussy cats
Have been so good to me

Little by little and lot by a lot
Let's be happy with what we've got

Tide rollin' in
Tide rollin' in
Tide rollin' in
Tide rollin' in

Because you know
You can't take it with you
Because you know
You can't take it with you
Because you know
You can't take it with you
Because you know
You can't take it with you

Tide rollin' in
Tide rollin' in
Tide rollin' in
Tide rollin' in

Tide rollin' in
