

Why Do I

Right Said Fred

Why do I, do I love you like I love you like I do?
Why do I, do I love you like I love you like I do?

Can't wait to see you again
God knows I've tried
Tried to keep myself away from you I can't deny
I miss you again and again
My pleasure comes with the pain
I miss you again and again
But I know you don't feel the same

Why do I, do I love you like I love you like I do?
Why do I, do I love you like I love you like I do?

I try to see in your mind and analyze
Are you Jekyll or Mrs Hyde, I can't decide
I miss you again and again
My pleasure, comes with the pain
I miss you again and again
But I know you don't feel the same

Why do I, do I love you like I love you like I do?
Why do I, do I love you like I love you like I do?

Why do I, do I love you like I love you like I do?
Why do I, do I love you like I love you like I do?

Why do I, do I, why do I, do I, why do I, do I
Love you like I love you like I do?
Why do I, do I love you like I love you like I do?
Why do I, do I love you like I love you like I do?
