

# If You're Going Through Hell

## Righteous Vendetta

Well, you know those times when you feel like there's a sign there on your back  
That says I don't mind if you kick me, seems like everybody has  
Things go from bad to worse you think it can't get worse than that and then they do

You step off the straight and narrow and you don't know where you are  
Used the needle of your compass, to sew up your broken heart  
Ask directions from a genie in a bottle of Jim Beam and she lies to you  
That's when you learn the truth

If you're goin' through hell, keep on going  
Don't slow down, if you're scared - don't show it  
You might get out before the devil even knows you're there

I've been deep down in that darkness and I've been down to my last match  
Felt a hundred different demons breathin' fire down my back  
And I knew that if I stumbled I'd fall right into the trap that they were layin'

But the good news is there's angels everywhere out on the street  
Holdin' out a hand to pull you back up on your feet  
The one's that you've been draggin' for so long you're on your knees might as well be prayin'  
Guess what I'm sayin'

If you're goin' through hell, keep on going  
Don't slow down, if you're scared - don't show it  
You might get out before the devil even knows you're there  
If you're goin' through hell, keep on movin'  
Face that fire, walk right through it  
You might get out before the devil even knows you're there

If you're goin' through hell, keep on going  
Don't slow down, if you're scared - don't show it  
You might get out before the devil even knows you're there  
If you're goin' through hell, keep on movin'  
Face that fire, walk right through it  
You might get out before the devil even knows you're there
