Righteous Vendetta

How can I see?
When this body of death consumes me
Tear this flesh from my un-righteous heart
Oh God tear this flesh from my un-righteous heart

The sacrifice I'm willing to make
For life everlasting
Just to see your face
For eternity

I give my life to you
I give my life to you
For a hope in what I'll become

The sacrifice I'm willing to make For life everlasting
Just to see your face
For eternity
