

Losing Control

Righteous Vendetta

Moving up, made a life by the fire inside
This power will never die
Tell me the story of a man
How this all happened
Give it to me, give it to me

I can feel the rage building inside me
This is my war
There's nothing stopping me

Oh, I'm losing control, it's more than you know
And it's time that I let it all go
Oh, I'm losing control, it's more than you know
And it's time that I let it all go

Oh! Losing contro-oh-oh-ol

I will fear no man or demon
They hold me at the stake
I will fear no death or pain
Because what brings me death will only bring me gain

I can feel the rage building inside me
This is my war
There's nothing stopping me

Oh, I'm losing control, it's more than you know
And it's time that I let it all go
Oh, I'm losing control, it's more than you know
And it's time that I let it all go

I will feel no death or pain
I will fear no death
I'm losing control
I'm losing control

Oh, I'm losing control, it's more than you know
And it's time that I let it all go
I'm losing control, it's more than you know
I'm losing control

Oh, I'm losing control, it's more than you know
And it's time that I let it all go
Oh, I'm losing control, it's more than you know
And it's time that I let it all go

I'm losing control
