

## The Dawning

### Righteous Vendetta

Oh my God  
Your will has become our own  
Oh my God  
Your time is now

I feel this world is slowly collapsing  
Where can I find my rest  
I feel the grasp of death embracing  
When can I find my rest

It's been so long  
When can I find my rest?  
I'll take this weary heart  
And I will endure this to the end  
This is The Dawning of our lives

This is the dawning of our lives  
Oh God, it's been so long

It's been so long  
When can I find my rest?  
I'll take this weary heart  
And I will endure this to the end  
This is The Dawning of our lives
