

Cry

Rihanna

C#mi

I'm not the type to get my heart broken

As

I'm not the type to get upset and cry

C#mi

'Cos I never leave my heart open

As

Never hurts me to say goodbye

A

H

Relationships don't get deep to me

Never got the whole in love thing

E

And someone can say they loved me truly

H

But at the time it didnt mean a thing

C#mi

My mind is gone

Asmi

I'm spinning round

C#mi

And deep inside

Asmi

My tears ill drown

A

I'm loosing grip

E

What's happening?

H

I stray from love

F#

This is how I feel

C#mi

R: This time was different

A

Felt like I was just a victim

E

And it cut me like a knife

H

When you walked out of my life

Now I'm in this condition

And I got all the symptoms

Of a girl with a broken heart

But no matter what

A

You'll never see me cry

Did it happen when we first kiss?

Cos it's hurting me to let it go

Maybe cos we spent so much time

And I know that is no more

I should have never let you hold me baby

Maybe why im sad to see us apart

I didn't give it to you on purpose

can't figure out how you stole my heart

My mind is gone
I'm spinning round
And deep inside
My tears ill drown
I'm loosing grip
What's happening?
I stray from love

This is how I feel

R:

A

How did I get here with you

C#mi

I'll never know

A

C#mi

I never meant to let it get so personal

A

And after all I tried to do

H

To stay away from love with you

I'm broken-hearted

A

I can't let you know

H

And I Won't Let It Show

C#mi

You won't see me cry

R: 2x

C#mi
