Woo
Woo, woo, yeah
Woo, woo, yeah
Aw yeah, aw yeah, aw yeah

I bet she could never make you cry
Cause the scars on your heart are still mine
Tell me that she couldn't get this dick
She can almost be for us and me
Too bad she's just eating off your dreams
Let me know when you're ready to plea
Maybe you just need to send for me
Send for me, send for me
Send for me, send for me, send for me

Woo
Woo, woo, yeah
Woo, woo, yeah
Aw yeah, aw yeah, aw yeah
