

# Get A Guitar

RIIZE

If you want something to play with, get a guitar  
We can do anything to make it, let's get it start  
Keep tapping your feet, let go  
Fingers snappin' like one, two, five  
All eyes focus on me when I play the guitar  
'Cause I know, you know

Ooh, baby, ooh  
I love it when I'm lookin' at you  
Ooh, baby, ooh  
I love it when I'm dancin' with you  
Rhythm flowin' in the beaming sunlight  
Feels just like a dream in my heart  
Tell me while

You play me like dun, dun, dun  
Still I love it when I'm lookin' at you  
Baby, dun, dun, dun  
Still I love it when I'm dancin' with you (Ah, yeah)  
Get, get, get, get a guitar  
Get, get, get, get a guitar (Oh)  
Get, get, get, get a guitar  
Get, get, get, get a guitar (Eh)
