Even in this dark night's sleep

One step, two step, to my dream
Movin' on, movin' on
Your heart gettin' closer and sayin'
To be strong, to be strong

Everyone says it can't be done, why?
Can't lose, can't lose

Got me dyin' to realize it now
With you it's all possible, I'm complete
Without you, without you
Without you, it's impossible

Just one more, just one more
Open up to me, let me know
At last I'm touchin' your heart
My only dream reachin' you there beyond
Beatin' its wings and risin' higher

No stoppin', we already
Movin' on, movin' on
Gotten used to that magic word, "Together"
To be strong, to be strong

Got me flyin' in my dreams right now
Everyone says it can't be done, why?
