

Irreplaceable

Riley Clemmons

So many days I feel like I'm invisible
How could a God so big notice me here at all
One of a billion prayers at Your feet
One of so many people in need
Lost in the lie that tells me I am nothing special

But to You I am
More than just a face in the crowd
Worth more than gold at any amount
To You I am irreplaceable
The scars in Your hands
Say that I am worth fighting for
They say that I'm forever adored
To You I am irreplaceable

I don't have to question whether I am beautiful
My value is deeper than my skin, it's in my soul
Like one in a billion, You treasure me
One of a kind, my identity
You've always loved me like I'm something truly special

To You I am
More than just a face in the crowd
Worth more than gold at any amount
To You I am irreplaceable
The scars in Your hands
Say that I am worth fighting for
They say that I'm forever adored
To You I am irreplaceable

Irreplaceable
(You tell me I'm)
Irreplaceable
(Oh-oh-oh)

You tell me I'm unforgettable
That I'm loveable
That I'm beautiful
You tell me I am incredible
Unmistakable
Irreplaceable

Like one in a billion, You treasure me
One of a kind, my identity
You've always loved me like I'm something truly special

To You I am
More than just a face in the crowd
Worth more than gold at any amount
To You I am irreplaceable
The scars in Your hands
Say that I am worth fighting for
They say that I'm forever adored
To You I am irreplaceable

Irreplaceable
(You tell me I'm)

Irreplaceable
(Oh-oh-oh)

You tell me I'm unforgettable
That I'm loveable
That I'm beautiful
You tell me I am incredible
Unmistakable
Irreplaceable
