

# Remember

Riley Clemons

I know that you feel like you're so unworthy  
Been cut so deep that you can't see the beauty  
You've caught up in a lie that tells you  
You're only good as what your body can move  
But you're not too far gone

'Cause the Maker of the stars  
He don't make mistakes, He just make art  
Don't you go and paint over your scars

Remember who you are, are  
Remember who you are, are  
You're more than what they say  
You're beautiful and brave  
Remember who you are, are

Remember who you are

They say, "Don't speak," so you scream in silence  
The words that you really mean, on the inside fightin'  
There's never been a door the truth can't break down  
There's never been a hate that love can't tame now  
So show them who you are

'Cause the Maker of the stars  
He don't make mistakes, He just make art  
Don't you go and paint over your scars

Remember who you are, are  
Remember who you are, are  
You're more than what they say  
You're beautiful and brave  
Remember who you are, are, uh

Remember who you are  
Remember who you are (Hey)  
Remember who you are

'Cause you know, the Maker of the stars  
He don't make mistakes, He just make art  
Don't you go and paint over your scars

Remember who you are, are  
Remember who you are, are  
You're more than what they say  
You're beautiful and brave  
Remember who you are, are, uh
