

# Get That Man a Beer

Riley Green

Well, I heard they got married and they bought a little place  
He worked nights, and she worked days  
And they had two mean kids  
His old dog and her wandering eyes

Well, I heard she's up to her old tricks again  
And she did what she did to me to him  
And the whole town knew it  
Hell, I guess I dodged a bullet

So, if you find a dive down in Cartersville, Georgia  
There's a dude with a bulldog's tattoo in the corner  
Of the bar  
With a scar  
On his left eye:  
It's from a mean right hook of mine

He got my girl and a few good licks in  
It broke my heart but that was back then  
And I figured out later  
That he might've did me a favor

So, if you ever get that chance, won't you get that man a beer?

Well, I can see him there and he's sitting in the same ole stool  
That I broke in when she broke me in two  
And looking back now  
Well, I reckon I owe him a round
