

If I Didn't Wear Boots

Riley Green

Probably would've saved a couple broken bones tryna ride a bull
That couldn't be rode if I didn't wear boots
Might of let that guy keep runnin' his mouth
Might've walked away before I knocked him out if I didn't wear boots
I don't know who I'd be
Damn sure wouldn't be me

If I didn't wear boots I wouldn't have a place to put that flask
That gave me the nerve to get me to ask you to dance
Sweep you off your feet like cowboys do
If I didn't wear boots you prolly would've never took this ride
Left that bar for a starlit sky
And I wouldn't be ride here right now lovin' on you
If I didn't wear boots

Probably would've never took daddy's truck
Snuck you out just to get us stuck
In a field out there under a no where moon
Girl I wouldn't have you

If I didn't wear boots I wouldn't have a place to put that flask
That gave me the nerve to get me to ask you to dance
Sweep you off your feet like cowboys do
If I didn't wear boots you prolly would've never took this ride
Left that bar for a starlit sky
And I wouldn't be ride here right now lovin' on you
If I didn't wear boots

If I didn't wear boots

If I didn't wear boots I wouldn't have a place to put that flask
That gave me the nerve to get me to ask you to dance
Sweep you off your feet like cowboys do
If I didn't wear boots you prolly would've never took this ride
Left that bar for a starlit sky
And I wouldn't be ride here right now lovin' on you
No I wouldn't be here right now lovin' on you
If I didn't wear boots
If I didn't wear boots
