

# When She Comes Home Tonight

Riley Green

5 AM out the door  
Eight hour, maybe more  
Starin' me down  
Hatin' work, haulin' dirt  
Man this shit's just been wearin' me out  
Off at two, nothin' to do  
'Cause that girl she don't get off 'til five  
But I'll have a bottle of waitin'  
And it's on when she pulls in the drive

When she comes home tonight  
We'll take that clock off the wall  
Draw all them curtains  
Let our clothes just lay where they fall  
We'd turn down the lights  
And let our hands be our eyes  
Be just her and I, we'll take our time  
When she comes home tonight

Been a while overdue  
Gettin' her alone  
Thought's been drivin' me wild  
Killin' time 'til her and I get back to lovin' like it's goin'  
out of style  
I'm staring at this bottle awake  
But it's on when she pulls in the drive

When she comes home tonight  
We'll take that clock off the wall  
Draw all them curtains  
Let our clothes just lay where they fall  
We'd turn down the lights  
And let our hands be our eyes  
Be just her and I, we'll take our time  
When she comes home tonight

When she comes home tonight  
We'll take that clock off the wall  
Draw all them curtains  
Let our clothes just lay where they fall  
We'd turn down the lights  
And let our hands be our eyes  
Be just her and I, we'll take our time  
When she comes home tonight
