

CRYING IN FIRST CLASS

RILEY

Touched down in Londo, leaving Berlin
Tell me why all I can think about is you
I land in Paris to see your parents
Tell me why your everywhere I don't need you to be

Cause I been falllin'
So I've been ignorin' your calls
I keep stallin', 'cause I don't wanna tell you how I really feel
I'm all in, I know that you don't feel the same
But I'm all in, I'm all in
Now I just sat down in seat 1E, there's no one next to me
I got every thing I wanted, but I still don't feel complete
No matter where I go, your face still follows me
Even when I dream

I'm crying in first class
I'm crying in first class
I'm crying in first class
I'm crying in first class

I land back in Cali, Malibu don't feel the same no more
Suns still shining and Nobu still opens their doors
So why you crying?
Is it because you've given all you got to me
I'm trying, I'm trying

Cause I been falllin'
So I've been ignorin' your calls
I keep stallin', 'cause I don't wanna tell you how I really feel
I'm all in, I know that you don't feel the same
But I'm all in, I'm all in
Now I just sat down in seat 1E, there's no one next to me
I got every thing I wanted, but I still don't feel complete
No matter where I go, your face still follows me
Even when I dream

I'm crying in first class
I'm crying in first class
I'm crying in first class
I'm crying in first class

Now I just sat down in seat 1E, there's no one next to me
I got every thing I wanted, but I still don't feel complete
No matter where I go, your face still follows me
Even when I dream
I'm crying in first class
