

SUMMERTIME

RILEY

Yeah, yeah
Woah, woah

Woke up to the sunshine (To the sunshine), and now I'm hiding (Woah, yeah)
Grab my phone just to see who (Who that?), been replying
Take a pill just to get up (Woo!), and now I'm flying (Now I'm flying)
Think about all the bad shit (On God), from last night, yeah
Ayy, ayy, ayy

And I took time, won't listen (Won't listen)
Too high, addition (Addition)
I'm fine, just listen to what I'm saying to you
And it's cool, I'm good (I'm good)
And you're fine
I would switch up on any girl that I have just to get you for the

Summertime, I got you on my mind
It's like this all the time, when it's just you and I
You know the feeling's right
And I want you right where you belong
Ayy, ayy, right back here in my arms

Right back here in my arms
(Right back in my arms)
Right back here in my arms
(Right back in my arms)

(Yeah-yeah-yeah)
Yeah, I met you at work, 2018
Never thought in a year you'd learn to hate me
Honestly girl, I can't even blame you
But you probably got a good reason to blame me
'Cause I'm a dick and I let it show
Never been too good at letting go
But I just wanna let you know, I'm sorry

'Cause I waste time, don't listen
I get high, still tripping
I'm not fine
I can't hear a word you're saying to me
But it's cool, I'm good
And you're fine
I would switch up on any girl that I have just to get you for the

Summertime, I got you on my mind
It's like this all the time, when it's just you and I
You know the feeling's right
And I want you right where you belong
Ayy, ayy, right back here in my arms

Right back here in my arms
(Right back in my arms)
Right back here in my arms
(Right back in my arms)

Summertime (Summertime), I got you on my mind
It's like this all the time (All the time), when it's just you and I

You know the feeling's right (That feeling right)
And I want you right where you belong (Right where you belong)
Ayy, ayy, right back here in my arms

Summertime, feelin' right
Summertime, feelin' fine
You're with me like every night
You got me feeling fine
Summertime, it's alright
Just you and me tonight
Summertime, it's alright

I got you right back in my arms
Oh yeah, yeah
I got you right back in my arms
Oh yeah, yeah
Got you right back in my arms
Oh yeah, yeah
Got you right back in my arms
Oh yeah, yeah
Got you right back in my arms
