

THE ONE

RILEY

New round of silence
Shit ain't right lately
And you keep deciding
Who to leave in your life
Through a text that surprising
Cause you don't
Love who
You been
When you're with me
I wish you would stay

You know I'm tryna be the one who
No matter what you're going through
I wanna be the one who
I wanna be the one who
Loves you
When You don't love
Who you've become
I wanna be the one who
I wanna be the one who
Loves you

Did I ever really matter
How did we pull apart and end up back together
You wanna stay with me but you don't want forever
I got like ten things
I hate bout you
They all Celine and VVS and patent leather
So take what you want
Leave when you need
I told you I'd stay
But you need a guarantee
Tell me what's it gunna be

You know I'm tryna be the one who
No matter what you're going through
I wanna be the one who
I wanna be the one who
Loves you
When You don't love
Who you've become
I wanna be the one who
I wanna be the one who
Loves you

I'm ah be the one who loves you
Like I'm ah put nobody else above you

And I can't trust nobody but girl I trust you (Yeah)
And this life that I live it go too fast for me
But you help me slow it down
Baby I want you around
Cause look at you

You know I'm tryna be the one who
No matter what you're going through
I wanna be the one who

I wanna be the one who
Loves you
When You don't love
Who you've become
I wanna be the one who
I wanna be the one who
Loves you
