

Under Pressure

RILEY

(Yeah-yeah, yeah-yeah
I've been under pressure
Yeah, yeah)

You overcomplicate (You overcomplicate)
Shit ain't been the same since you pulled up on me
(Pulled up on me)
You hold it down, you hold it down
You show up now, and unannounced (Eh)
Justify my reasons why I like to pop
I should stop
She looked like the haters, maybe I'm in love
Lately I just Uber if I wanna fuck
Maybe I pull up on her baby, maybe not

What's love? What's lust?
I can't trust the bitch, you know I'm next up
Bust down her like water, gonna be a flood
Her mother still don't like me 'cause I'm fucked up

Under pressure, I've been under pressure
She's so extra, she want me to sex her, yeah
In a Tesla, fuckin' up the dash, yeah-yeah
Fuck the passion, I'm just under pressure
Put my diamonds under pressure
Watch them drip for me
Told her that I love her once and now she'd kill for me
Under pressure, I've been under pressure
Fuck the passion, I'm just under pressure

I'll be honest
I got a problem
I'mma pop this oxy babe
I'll call you in the morning
Sit and watch, yuh
Watch the ice drip
She a sidekick
I don't need no side bitch
She left a call and I ain't call her back
She likes to smoke about a 40 grams
She came to me, she left that other man
She do it herself, she hold it down, she likes the dirty hands

Get high, take drugs
She don't wanna fuck, she wanna make love
Rollin' off the dope, got my brain stuck
I just hit one-fifty on the dash, try to catch up

Under pressure, I've been under pressure
She's so extra, she want me to sex her, yeah
In the Tesla, fuckin' up the dash, yuh-yuh
Fuck depression, I've been under pressure
Put my diamonds under pressure, watch them drip for me
Told her that I loved her once and now she'd kill for me
Under pressure, I've been under pressure
Fuck depression, I'm so under pressure

(Under pressure, I've been under pressure
She's so extra, she want me to sex her
In the Tesla, fuckin' up the dash, yuh-yuh
Fuck depression, I've been under pressure)
