

## 2 BRAINZ

Rilès

Ey ey ey ey ey ey  
2 brains  
Tight grips  
Nights to plan  
Ey ey ey ey ey ey ey  
Take a risk  
Is a brick  
Or the streets

Ain't like everybody  
Knows somebody  
Learned to shake 'em hands  
Before the gang signs

We been through a stress, troublings, curse, strugglings  
If we're getting checks Issa good time

Started like  
Ouhh  
2 best friends on a penny roll  
Now we like  
Ouhh  
Ahhh

Get it right  
Money beneficial but an option  
I just rather flexing with the patience  
Never out of facts  
Or out of line  
Beg it  
Want it bad  
Chase it  
On the run

Ey ey ey ey ey ey  
2 brains  
Tight grips  
Nights to plan  
Ey ey ey ey ey ey ey  
Take a risk  
Is a brick  
Or the streets

Ain't like everybody  
Knows somebody  
Learned to play 'em chess  
Before I got signed  
We been through a stress, troublings, curse, strugglings  
If we're getting checks Issa good time

If we're getting checks Issa good time  
If we're getting paid it's another day  
I'm getting more cousins since I got signed  
But I'm only here for patience on the longway  
Fuck you mean "a wrong way"?  
I cannot stand half (of) what you saying  
So signed up for half of the checks

I don't want a blueprint with reference (bitch)  
Imma get the quote from my self

And I know, and I know, and I know...

Started like  
Ouhh  
2 best friends on a penny roll  
Now we like  
Ouhh  
Ahhh

Get it right  
Money beneficial but an option  
I just rather flexing with the patience  
Never out of facts  
Or out of line  
Beg it  
Want it bad  
Chase it  
On the run
