

## 22 'TIL INFINITY

Rilès

Turn up  
Turn up  
Turn up  
Wait  
Wait  
Wait

2022 'til infinity  
Speak my French no apology  
I get more gains for the show stage  
Don't take a pic when I lift weight!

It's not a kishta  
It's a KeepKey  
Mark my words  
For the big pic  
Walk my way out the misery  
Broke with a part of me  
No fap, more immunity

Wow, wow, wow, wow  
Turn up  
Turn up  
Turn up  
Turn up  
Wow, wow, wow, wow  
Turn up  
Turn up  
Turn up  
Turn up

Woes done made me crazy  
I Kundalini, day to day  
Speak in facts or shut it  
Respect my lossas  
Or get checked

Double check  
Triple check  
Check my status  
Break ya neck  
I'm what's next  
Level up  
Lift it  
Light weight  
'Nowadays' feels like light years  
J'ai encore du taff  
To get right damn  
(Goddamn)  
Fuck the odds, in my practice  
Fight it  
Turn up a notch  
Your bitch likes this

It's 2022 now I can't go back  
Yea  
Imma try to be on my highest calibration now

And I understood that

Should not give a fuck 'bout nothing  
I don't play  
For the charts  
Or the fakes  
And the rats  
Inner fate  
On the map  
Gotta pay  
For the mob  
Do not pray for the top  
When they pay for the spot

Don't care if you won't get my stitches  
Never mind if you just talk that talk  
Effortlessly in a higher transition  
Don't mind if I think out my soul

Let 'em know what's going on  
Put that new bid for the stunt  
Cryptoflexin' 101  
What you want?  
What you want

20 2.2 til infinity  
Suspicious identity  
Way too many mini me

AHH  
DON'T MAKE ME SHOT-

Turn up  
Turn up  
Turn up  
Turn up

Turn up  
Turn up  
Turn up  
Turn up

Woes done made me crazy  
I Kundalini, day to day  
Speak in facts or shut it  
Respect my lossas  
Or get checked

Checked  
Checked  
Checked  
Level up  
Lift it  
Light weight
