Brothers

Rilès

I came in this game like a motherfuckin' rat,
Like I was starving for things I never thought I could have,
I gave you all I got!
Now you talk behind my back?
I ain't a time-philantropist anymore.

What?

You came to me like a little child,
I brought you up, fed you and gave you all of my time
I taught you all I learned, lended you what I earned
Without me nah you ain't even a piece of shit, you turd

Yesterday we were brothers, oh now we're enemies!
Understand I'm no longer, numb and my time ain't free
Yesterday we were brothers, oh now we're enemies!
Understand "fuck your eager", yeah you been too greedy

You don't know shit about how to start the game
Not the same level, struggle, sacrifices, pain
Ayo! Ain't no questioning about who is the best
You better not test,
I am Gatsby, you're the guest. YES.

Wanna snatch my dreams
Imma be your worst nightmare, yeah
Don't play with fire
Holy water's in my hands

And I don't care if you do, you don't
Distinguish what I'm saying
Many meanings in my texts but I swear this shit no fiction
I wrote these lines cuz it releaved a big part of my pain
It will never be the same, nigga I will still be yelling!

Yesterday we were brothers, oh now we're enemies!
Understand I'm no longer, numb and my time ain't free
Yesterday we were brothers, oh now we're enemies!
Understand "fuck your eager", yeah you been too greedy

BROTHERS
ENEMIES
NO LONGER
BELIEVE

Yesterday we were brothers, oh now we're enemies!
Understand I'm no longer, numb and my time ain't free
Yesterday we were brothers, oh now we're enemies!
Understand "fuck your eager", yeah you been too greedy
