

CAN'T STOP

Rilès

I don't play no belehni
Meaning my words
Cannot stop unless I get it done
Every weekend in the oven
Cooking my shit
It might hurt yet imma stand still strong
I like it
I hate it
I don't care no more
Go mix it
Forget sleep
It ain't that well
Looking for the ease in the night
Baba saying "the past is over"
Everyday I'm picking a side
Of the fence
'Fore my damnation
Lurking for the peace in the mind
Anything, when the Sunday's over
Watch me do my shit
Killing it
On the keys
Everyday I

Can't stop
Won't stop
'Till I pass out imma get that khaliss
Wilding
Grinding
Fuck a lifestyle, it's that real life violence
Can't stop
Won't stop
'Till I pass out imma get that mula mula
Wilding
Grinding
Fuck a lifestyle, it's the real life sentence

Eastside bitch starts texting
She missing me, she tired bout my time frames
Talk that talk
Ain't listening
Got too much on my plate for distractions
Got too much on my mind for relations
Starving impatience
I wanna make it
Everybody on in the matrix
Tired of my fiction
I fix it
Hunhun
Copypating benefits
It's scandalous
I handle it, not well
Trynna balance over risks
I gotta breath
Cannot give and expect returns
All of it is my blood
All of it is my lungs

You gon put some respect on my work
Or expect for the worse, nah

Can't stop
Won't stop
'Till I pass out imma get that khaliss
Wilding
Grinding
Fuck a lifestyle, it's that real life violence
Can't stop
Won't stop
'Till I pass out imma get that mula mula
Wilding
Grinding
Fuck a lifestyle, that's my real life sentence

Looking for the ease in the night
Baba saying ' the past is over"
Everyday I'm picking a side
Of the fence
Before my damnation
Lurking for the peace of the mind
Anything, when the Sunday's over
Watch me do my shit
Killing it
On the keys
Everyday I

Can't stop
Won't stop
'Till I pass out imma get that khaliss
Wilding
Grinding
Fuck a lifestyle, it's that real life violence
Can't stop
Won't stop
'Till I pass out imma get that mula mula
Wilding
Grinding
Fuck a lifestyle, that's my real life sentence

Can't stop
Won't stop
'Till I pass out imma get that khaliss
Wilding
Grinding
Fuck a lifestyle, it's that real life violence
Can't stop
Won't stop
'Till I pass out imma get that mula mula
Wilding
Grinding
Fuck a lifestyle, that's my real life sentence
