Rilès

Rilès you should do this  
Rilès better do that  
Don't fuck with them backups  
Me Santiago, I got my path  
Rilès you should do this  
Rilès better do that  
With me no "in case of"  
All my rivals I gotta smack

Dropped out of school but I'm not rich  
20, understood it wasn't worth it  
My dreams didn't need a master degree  
I finally figured out time was the enemy  
Now I see, been looking at me like I'm a felony  
Dissing me, nobody betting shit on my victory  
When I Be, on the mic my mind going A.D.H.D  
Don't wanna read Dickens no more, I got Rakim or Kendrick  
If I don't sing or rap I lock myself and I produce  
The only break I like is when you're mentioning the rules  
Thank God I woke up everyday, I fuck with no excuse  
You wanna try a syncope, I put you in my shoes

Never showing up at them party  
Eat, sleep, study and get wasted  
2004 I feel like Kanye  
I'm leaving to remain on my way

Rilès you should do this  
Rilès better do that  
Don't fuck with them backups  
Me Santiago, I got my path  
Rilès you should do this  
Rilès better do that  
With me no "in case of"  
All my rivals I gotta smack

Smack, smack  
Never crack, crack, crack  
Skepticism making many men whack, whack, whack,  
Are they mad, mad, mad?  
Never mind, mind, mind.  
The more they hate the brighter Imma shine  
Yeah, the higher Imma climb  
Struggle never lets me down  
That's why Imma get them high  
If you follow my workout plan,  
Bitch you will make it through the wire  
Always falling down  
Never flew away  
Jesus walks above my steps  
He's slow jamming with Ray  
School Spirit, mayhem  
Two Words, no degree  
Family almost dead  
Business resurrecting it  
Always had the last call on every single shit I did  
Spaceship is my passport

Local gym is where I live

Never showing up at them party  
Eat, sleep, study and get wasted  
2004 I feel like Kanye

Now you wanna fuck with us, you want that shit then bounce  
I'm always with my bros never down, down, down  
Of course I can be King, just gotta snatch the crown

Rilès you should do this  
Rilès better do that  
Don't fuck with them backups  
No graduation day but I'm fine
