

DAMNED?

Rilès

Looking for the peace my babe
Can I find it on my own
Always trynna live my shit
Trynna find a way to get it all along
Searching for the truth my babe
I don't wanna get deep down, down, down
Oh my god
I cannot look back now

Bitch
Easy come
And easy going nowhere
Speaking facts, y'all know that I'm falling
Reminiscing time I've could've ended
On time, yea what if
What if I did it, If I did...
...I'm trying not to think about it
I'm trynna grow from what I'm missing
Misundertand it
Tending to lose it
Way too frequent
Living, not loving
Think bout leaving

So I'm rolling rolling rolling rololling faster
Hoping for a crash
If I can't do it by self
Yea I keep on rolling rolling rololling rolling with no brakes on
I can't help but speeding up
I think am
Damned, damned, damned, damned
God damn
Damned, damned
Lord
Tell me 'if I'm
Damned, damned, damned, damned
God damn
Damned, damned
Oh

What you want
Is that all that attention?
What you need
Is just better intentions
What you fear
Is that they all forget about you now

(Ush)
Working harder, sweaty bans
(Ush)
Silence, I need silence in
(Ush)
Dela Aria
Telling me
I'm losing personality
And she don't know I'm really trying
(Ush)

Praying God , I'm praying deep
(Ush)
Praying, I ain't losing it
(Ush)
Praying I stop having
Visions
Dying before
27
Back on stage next sumer

So I'm rolling rolling rolling rololling faster
Hoping for a crash
If I can't do it by self
Yea I keep on rolling rolling rololling rolling with no brakes on
I can't help but speeding up
I think am
Damned, damned, damned, damned
God damn
Damned, damned
Lord
Tell me 'if I'm
Damned, damned, damned, damned
God damn
Damned, damned
Oh

I think am
Damned, damned, damned, damned
God damn
Damned, damned
Lord
Tell me 'if I'm
Damned, damned, damned, damned
God damn
Damned, damned
Oh

Ain't worth it
Still going?
Better get in, get it? give it up
Ain't working
You got it?
Diggin deeper, andale

I wanna say that I love you
So let me speak through your songs
You can just give me your fears
I'll take care of it all

So I'm rolling rolling rolling rololling faster
Hoping for a crash
If I can't do it by self
Yea I keep on rolling rolling rololling rolling with no brakes on
I can't help but speeding up
I think am
Damned, damned, damned, damned
God damn
Damned, damned
Lord
Tell me 'if I'm
Damned, damned, damned, damned
God damn
Damned, damned

Oh

I think am
Damned, damned, damned, damned
God damn
Damned, damned
Lord
Tell me 'if I'm
Damned, damned, damned, damned
God damn
Damned, damned
Oh

(Tell me if I'm damned
I wanna know
I need a change
Before I go)
