

# DOWN ON ME

Rilès

Put some respect on my name lil bitch  
Shit is over now  
I don't wanna know who's right in this  
Just take my name out  
Of you mouth, I know you proud we did it  
Well, it was wild  
Ever since we cut the ties you  
Trashing  
Talking  
Gossip  
Lies

Attention  
Gave way you too much attention  
Loving ain't lies  
Attracted  
All this time you went spazzing  
Now the city knows that

Lil bitch  
Lil bitch  
Lil bitch  
Coming back, talking down on me  
Lil bitch  
Lil bitch  
Lil bitch  
We used to make love

Lil bitch  
Lil bitch  
Lil bitch  
Coming back, talking down on me  
Lil bitch  
Lil bitch  
Lil bitch  
We used to make love

Everybody know my name  
La fama Is a prick, how 'bout you?  
Crazy bitches creep these days  
Hunhun  
Hunhun  
Hunhun

Too turned up on punanis  
Big big cum sex tsunami  
Time wasted on your body  
Du lundi au lundi  
I was all about it  
(What you know about it?)  
(No need to tell em about it )  
I ain't the same anymore  
(Now I just talk about it)  
Maybe just a little bit

Attention  
Gave way you too much attention

Loving ain't lies  
Attracted  
All this time You went spazzing  
Your pride in

Lil bitch  
Lil bitch  
Lil bitch  
Coming back, talking down on me  
Lil bitch

Lil bitch  
We used to make love
