

Eastside Georgia

Rilès

41 hours ago
I was involved in two car accidents
I have 40 stitches all over my face
But hopefully I'm alive
And I'm back at the studio for more stories to tell
Let us dare before we die
Rilèsundayz

She's been sliding in my DMs late night
And she's thinking I'm from Eastside Georgia
My songs flying past the country for sure
That's why she thinks I'm from Eastside Georgia

You like the way
I've been singing sweet words
You sing my songs
Naked in your shower
It was a friend
Who told you 'bout my work
Sorry babe ain't from there
No she don't know I'm french
Let me say
I can fly you out
But I don't need none of your presence
I love how you think I'm not
From the bottom end of my province
I know my English's on point
Yay I speak better than your boyfriend
How did I fool you that much?
I spent 3 years reading Wilde and Whitman
Me say

She's been sliding in my DMs late night
And she's thinking I'm from Eastside Georgia
My songs flying past the country for sure
That's why she thinks I'm from Eastside Georgia

Ok, lately I've been making noise
I can realize
Imma tour all around Europe then Imma move on
Maybe I'll meet ya
Maybe Imma pack my shit for the Westside
Yes, L.A.
Planning my schemes always the right way
Legendary's gon be next Friday
Got all my city supporting behind me
Blessings better show up
Nobody gave me the keys I smashed that door
It's not a sprint, nah it's a lifetime run
They join the race, but only once I'm gone
It's not my business if you cannot make choices
Mine was personal
You, I don't know
If you like likes, man you better give up
They all want to do what I did
Without pain and struggle

"Rilès motherfuck'you can
Touch me wherever you feel"
Damn I did came a long way
I'm not used to bend those things
"Rilès motherfuck'you can
Touch me wherever you feel"
Damn I did came a long way
I'm not used to bend those things

She's been sliding in my DMs late night
And she's thinking I'm from Eastside Georgia
My songs flying past the country for sure
That's why she thinks I'm from Eastside Georgia

"Rilès motherfuck'you can
Touch me wherever you feel"
Damn I did came a long way
I'm not used to bend those things
"Rilès motherfuck'you can
Touch me wherever you feel"
Damn I did came a long way
I'm not used to bend those things

She's been sliding in my DMs late night
And she's thinking I'm from Eastside Georgia
My songs flying past the country for sure
That's why she thinks I'm from Eastside Georgia
