

## FEELINGS

Rilès

Yeah, yeah, yeah  
I think I'm outside  
It's just been a while though, let's go  
(Twenty9)

I got feelings, I got needs  
But the jungle's in my way  
I'm still healing, but not weak  
If I'm in, I gotta stay  
Chill out like  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja

I got feelings, I got needs  
But the jungle's in my way  
I'm still healing, but not weak  
If I'm in, I gotta stay  
Chill out like  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja (Ah)

I got up, I got up, I got up (Oh woah, oh)  
Then I fought, I just thought, never would (Never, never would)  
I got up, once again I got up  
I got up, I got weed, then I won  
Aye  
Better [?] flow like I do  
If you wanna be damned, fuck it, thatss on you  
What you really mean [?], was all for them  
But she got a man, you got some big shit to become (What? What?)  
The place done 'til we're done (Oh no)  
Chose [?], it's real dum  
If you don't like it don't listen (Uh-uh)

I got up, 'cause I got them  
I got feelings, I got needs  
But the jungle's in my way  
I'm still healing, but not weak  
If I'm in, I gotta stay  
Chill out like  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja (Ah)

I got feelings, I got needs  
But the jungle's in my way  
I'm still healing, but not weak  
If I'm in, I gotta stay  
Chill out like  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja  
Dja-dja, dja-dja (Dja-dja)

Dja-dja, dja-dja (Ah)

Ooh shit, get out my way  
What you mean? I do not know  
Okay, give me the name  
City, a place, in the foreign (Huh)  
I'ma shake you, your mom, your kids and gang (How)  
Or your polo punk ass friends (Get down, haha)  
While I'm in your [?]  
Just picked the paint, I changed the wheels  
Never think 'bout slowin' it down (Get down, get down)  
Better keep a lil' down  
We protein, got big like Mamba  
Rocky like Mufasa  
Oh God, oh why You [?] test a man?  
It's that past, I'm 2010 (Okay)  
Heartless since the bigger name  
That they flipped the script and I'm rich

I got feelings, I got needs  
But the jungle's in my way  
I'm still healing, but not weak  
If I'm in, I gotta stay  
Chill out like  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja (Ah)

I got feelings, I got needs  
But the jungle's in my way  
I'm still healing, but not weak  
If I'm in, I gotta stay  
Chill out like  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja  
Dja-dja, dja-dja (Dja-dja)  
Dja-dja, dja-dja (Ah)
