

FOR THE SHOW

Rilès

Since young I've seen ups and down
I cannot quit now
While my mind be tricking
Voices silent
Mad for the sound

I cannot fail in this bitch
I cannot forget
On my mama

So Imma keep on walking for the show
Inside I'm feeling all the pain
And Imma hustle till I can't no more
Imma do it till it changes

Since young I've been on my shit
I cannot get weak
On my spirit
As I drove through the valley of my shadows

And I was riding
Alone,
At night,
Thinking,
Bish don't give in

Imma keep on walking never
Laid back
I don't chase that
Coming back
Feeling like it's on my first time
Don't cap
Understand that

Well, Imma keep on spending money and time
Stresses and pain
All for the ride, ain't like I'm used to it

So Imma keep on walking for the show
Inside I'm feeling all the pain
And Imma hustle till I can't no more
Imma do it till it changes

Walking for the show
'Till I can't no more
Walking for the show
'Till I can't no more

So Imma keep on walking for the show
Inside I'm feeling all the pain
Imma hustle till I can't no more
Imma do it till it changes
