

I Do It

Rilès

I do it for my dad
And I do it for my mama
I do it for my shabs
And I do it for my sistas
I do it for my city
And I don't forget Africa
I do it for my hoes
My thugs, my bitches, my gangstas
I do it for the best
How could I forget my haters?
And I do it for my uncles they told me
"da fuck you doing here?
Better have you degrees, masters!"
Thinking that I go nowhere
But I don't wanna be no one
Been working like a Trojan, man!
I know, you know, we know
Rilès is not the only one
Yay
By myself I don't need your prod
I don't want your beef, your bitch and your buzz
Always for my bros, my niggas, my blood
Never for the fuzz, they shootin' my cuz
I wanna bring the peace, but can I be bad?
This shit is for me, for you and for us
I do it for the streets, and for the suburbs

Plus I do it for the passion
And I do it for the patience
No I'll never forget the pain from this fight
I do it for my family
I do it for my family
I do it for my family
That's why

Why o why?
Why o why you ask?
I do it for my mama, why you take aback?
Why o why?
Why o why you ask?
I do it for my baba for his sacrifice
Why o why?
Why o why you ask?
I do it for my khey, I know they got my back
Why o why?
Why o why you ask?
As we're about to build and you're about to crack..

...Ok, ok, ok, ok you do it for your family and shit, that's cool
But don't tell me you don't do it for money bruh

I don't fuck with their money
And once I got some it's for granny
Buy a plane for my niggas, we leave for Mexico city
For now we ain't rico tony
Be wise chico ain't no worry
Time is money so we hurry

Akhi bze I'm too busy
Yay
Brother, brother, brother
Don't call 911
I'm about to spread that fire
Halle-halle-lujah
Tell me you see me now
We've been hidden too long
You know, we've never seen the sun

I do it for the passion
And I do it for the patience
No I'll never forget the pain from this fight
I do it for my family
I do it for my family
I do it for my family
That's why

Why o why?
Why o why you ask?
I do it for my mama, why you take aback?
Why o why?
Why o why you ask?
I do it for my baba for his sacrifice
Why o why?
Why o why you ask?
I do it for my khey, I know they got my back
Why o why?
Why o why you ask?
As we're about to build and you're about to crack
