LA MANIA

Rilès

Ok let's go
I'mma do it like this
No sleep
'Less I got all of my rings back
I stay strong
Barely speak
Life's a light 6
All about the struggle in the limelight
Cheers
Martini with tears
No turning back since I told you the secret
Bad man mixed
With little bit of freak
Hope you don't feel whats inside my cabeza, yessay

Es la mania
I swear it drives me really crazy
'Till manana
Don't need to sleep I gotta dance
La mania
I swear it drives me fucking crazy
'Till manana
Don't need to sleep I'm on a race

Even when I'm sick and fed up
Better than y'all motherfuckers
Watchout when the pace Slows down
Doing me, I like it better
Wasn't made for trophies, obviously, wonder whats my style
One day you dance
And the other you mad
Da Fuck you rappin
When you sing so sad
Easy mind schism
I like it both side
Cannot box me
I'm a big boy now

I'm a big boy
I'm a really big boy
I don't say shit
Nah I act it, on my life
I'm a big boy
Really really big boy
With a kind of trippy trouble on my mind

Es la mania
I swear it drives me really crazy
'Till manana
Don't need to sleep I gotta dance
La mania
I swear it drives me fucking crazy
'Till manana
Don't need to sleep I'm on a race

Man on race from France
I'mma go around the globe

It might take a little while

I need to curve my demons
Pay for my taxes
And raise my pride

You can't steal my mania
I got it from my mama
But I won't breakdown

Only trust myself
Now cut them producers
I'm on my style

Work it
Get down
Big shift
First round
My mix
Fat bounce
Make this
My sound
I'm still
Number one
Taste like
Restaurant
Fresh truth
Fine lines
76
Breakdown

Sick
Take a look at him
Fun of him
Breaking him
Menancing
But He don't wanna put shit down
No ressurrender
Till its over
Only way
Is going harder
Watching him he gonna really lift or drown drip

Call me if you lost
I'm not fucking around
I got plans
I'm still writing on walls
Still not sane
Instinct resilient
But not tensed
What you know 'bout me?

I'm a big boy
I'm a really big boy
I don't say shit
Nah I act it, on my life
I'm a big boy
Really really big boy
With a kind of trippy trouble on my mind

Es la mania
I swear it drives me really crazy
'Till manana

Don't need to sleep I gotta dance
La mania
I swear it drives me fucking crazy
'Till manana
Don't need to sleep I'm on a race

Es la mania
I swear it drives me really crazy
'Till manana
Don't need to sleep I gotta dance
La mania
I swear it drives me fucking crazy
'Till manana
Don't need to sleep I'm on a race
