

# LA MANIA

Rilès

Ok let's go  
I'mma do it like this  
No sleep  
'Less I got all of my rings back  
I stay strong  
Barely speak  
Life's a light 6  
All about the struggle in the limelight  
Cheers  
Martini with tears  
No turning back since I told you the secret  
Bad man mixed  
With little bit of freak  
Hope you don't feel whats inside my cabeza, yessay

Es la mania  
I swear it drives me really crazy  
'Till manana  
Don't need to sleep I gotta dance  
La mania  
I swear it drives me fucking crazy  
'Till manana  
Don't need to sleep I'm on a race

Even when I'm sick and fed up  
Better than y'all motherfuckers  
Watchout when the pace Slows down  
Doing me, I like it better  
Wasn't made for trophies, obviously, wonder whats my style  
One day you dance  
And the other you mad  
Da Fuck you rappin  
When you sing so sad  
Easy mind schism  
I like it both side  
Cannot box me  
I'm a big boy now

I'm a big boy  
I'm a really big boy  
I don't say shit  
Nah I act it, on my life  
I'm a big boy  
Really really big boy  
With a kind of trippy trouble on my mind

Es la mania  
I swear it drives me really crazy  
'Till manana  
Don't need to sleep I gotta dance  
La mania  
I swear it drives me fucking crazy  
'Till manana  
Don't need to sleep I'm on a race

Man on race from France  
I'mma go around the globe

It might take a little while

I need to curve my demons  
Pay for my taxes  
And raise my pride

You can't steal my mania  
I got it from my mama  
But I won't breakdown

Only trust myself  
Now cut them producers  
I'm on my style

Work it  
Get down  
Big shift  
First round  
My mix  
Fat bounce  
Make this  
My sound  
I'm still  
Number one  
Taste like  
Restaurant  
Fresh truth  
Fine lines  
76  
Breakdown

Sick  
Take a look at him  
Fun of him  
Breaking him  
Menancing  
But He don't wanna put shit down  
No resurrender  
Till its over  
Only way  
Is going harder  
Watching him he gonna really lift or drown drip

Call me if you lost  
I'm not fucking around  
I got plans  
I'm still writing on walls  
Still not sane  
Instinct resilient  
But not tensed  
What you know 'bout me?

I'm a big boy  
I'm a really big boy  
I don't say shit  
Nah I act it, on my life  
I'm a big boy  
Really really big boy  
With a kind of trippy trouble on my mind

Es la mania  
I swear it drives me really crazy  
'Till manana

Don't need to sleep I gotta dance  
La mania  
I swear it drives me fucking crazy  
'Till manana  
Don't need to sleep I'm on a race

Es la mania  
I swear it drives me really crazy  
'Till manana  
Don't need to sleep I gotta dance  
La mania  
I swear it drives me fucking crazy  
'Till manana  
Don't need to sleep I'm on a race
