

LAA SAUUUCE

Rilès

Sheesh, yes
Can escape the jinx
King, shit
I got this in my skin

Bitch I'm 26 I feel like 81
I be in my zone, I ain't a gentlemen
Fuck you talking to me, is you looking at?
I'm in a bad mood don't try me

J'pique des crises, c'est bizarre
C'est la vie d'artiste ma love (love)
Worrying every day, like I can't do it anymore (more)
J'pique des crises, c'est bizarre
I don't like it any longer
Working every day, so why am I always in the

Sauce, sauce, sauce, sauce, sauce, sauce, sauce
Sauce, sauce, sauce, sauce
Sauce, sauce, sauce, sauce, sauce, sauce
Sauce, sauce, sauce ?

Sau- sauce, sauce, sauce
Sau- sauce, sau- sauce, sauce, sauce
Sau- sauce, sau- sauce)
Goddamn I breathe like I bake, I'm a threat to myself
I did try to reset, with an M44
Fuck you expect, for the worst or the best
I won't dwell on regrets, I won't change my sauce for nothing

Bitch I'm 26 I feel like 81

[illegible]

Big burn up, I stay, don't stop
Even when nobody listen to my shit no more
This will blow up in about 3 years
And they'll come at me like why the fuck it took so long?
Cuz I came, I've seen, I'm done with them deals
And the marketing and everything that pumped my jinx
Cuz they came, they went, they love and they hate
But no matter the change, don't stop

J'pique des crises, c'est bizarre
C'est la vie d'artiste ma love (love)
Worrying every day, like I can't do it anymore (more)
