

# No Lie

Rilès

Baby don't lie  
Talk the talk, never act  
Who the fuck you thought I was?  
You dared to fool me twice  
Baby don't lie  
Talk the talk, never act  
Who the fuck you thought I was?  
You dared to fool me twice

Rilès maafaka in this game right now  
And you won't believe what the hell I see right now  
Seems like everybody is pretty fake right now  
If you're not into a label you don't count right now  
Fuck I don't want to believe what I say right now  
I might never blow up cuz of what I say right? nah  
Most of the shit you hear is pretty wack right now  
Yes I'm only 20 they're afraid of me, don't ya?  
Fuck your talent  
We don't wanna fuck with ya  
If you don't have no money to pay a press officer  
Yeah you buy articles  
That's how it goes  
If y'already famous then we'll be all on your toes, and you say..

Baby don't lie  
Talk the talk, never act  
Who the fuck you thought I was?  
You dared to fool me twice  
Baby don't lie  
Talk the talk, never act  
Who the fuck you thought I was?  
You dared to fool me twice

Independent who minds about you, if you deserve  
Ten times better than any motherfuckin' pseudo 'come-up'  
Cuz I feel like many medias tried to fuck my game up  
Oh, when I played them "I Do It" a year ago they were pumped  
She told me: "Oh my God I love the song, I want that shit first  
I can send it to blogs, and this and that, and.." Shut the fuck up  
We know you did your trick  
We sent the vid  
You don't respond  
Oh, bsartek la clique  
Yeah I studied English, stupid niggas, what you thought?  
I gettin' really ready for the shit that you're not  
It's been five years in the making and I will never stop  
So never mind if I don't please to mister Boukercha  
Writing classics or riding dicks, I think my choice is made  
I'm fucking pissed and tired of sending all those god damn mails  
"Hello my name is Rilès, 20 years old self made man  
I make my beats, record my raps.." And we don't fucking care  
So keep on surfing the wave but do not ignore the storm  
Don't even stutter to me when I'll get my Grammy's on  
When I'll be overplayed and overheard like Bruno's songs  
It might take ten motherfucking years I'll prove'em wrong  
Shit I'm bitter with the time  
Better with the flow

You poppin' up right now you don't know how to make a song  
And I'm bitter with the time  
Better with the flow  
You poppin' up right now, you don't how you made it now, hun?

Baby don't lie  
Talk the talk, never act  
Who the fuck you thought I was?  
You dared to fool me twice  
Baby don't lie  
Talk the talk, never act  
Who the fuck you thought I was?  
You dared to fool me twice
