

Queen

Rilès

Feel like I'm done
Calling madame
Rolling a blunt
She lift me up
Cuz she my queen
Yea she the one
I reminisce
She kills the spleen
Then I go on
I make a song
Gold in a week
How life is fun

Hey wallah something's watching real close to me
Hey wallah blessings come when I'm diving in
213 calling, yema, fam, feeling great
If I don't quit here, this means I'll never quit

Now we really rockin fashion shows
My friends designing clothes
My yema quit the work
And baba's counting all the 0s
Rilesundayz finally grows
Been 2 years in a row
Yèa patience was the key
And now we kicking with the pros

Yea I'm coming I'm, coming
Dive or run and I'm running
Never gone if I'm leaving
Keep on going if I go away

Bitches n yamz
'Lone with the gang
Tennessee drinks
When you too far
I'm getting clo-
Ser to my sins
Lotta despair
Many mistakes
In my defense
Skippin that love
As if it was hitting my legs

Hey wallah something's watching real close to me
Hey wallah blessings come when I'm diving in
213 calling, yema, fam, feeling great
If I don't quit here, this means I'll never quit

My Adderall
My sins you soak
We feel like kids
I feel like yours
My bitch is smart
My bitch is dope
My bitch is dangerous
She real bad and

Baby, if I dive let me in
In case I'm drowning
Maybe I'll meet you as an angel

Feel like I'm done
Calling madame
Rolling a blunt
She lift me up
Cuz she my queen
Yea she the one
I reminisce
She kills the spleen
Then I go on
I make a song
Gold in a week
How life is fun
