

Real Talk

Rilès

Ouh girl
I don't wanna talk with you
I just wanna fuck, fuck, fuck
I know you too
Ouh girl
Now it's all about the truth
We just want to fuck, fuck, fuck
Until we swoon

Don't look at me with them eyes
Feels like you're touching me
You play with my weaknesses
Let me play with your clit
I love your dress
I love that look
And I love your lips
Don't say too much
I'd rather hear you moan in my ear
Away from prying eyes
You put your hands on my dick
You pinch your lips
I touch your peach
You call me 'daddy'
Temptation at his highest
Feels like I'm giving in
Take off that dress
Get on me girl
You won't regret

Ouh girl
I don't wanna talk with you
I just wanna fuck, fuck, fuck
I know you too
Ouh girl
Now it's all about the truth
We just want to fuck, fuck, fuck
Until we swoon

Don't care where you from
What you did
Or what you study
But if it is the only way for me to get in
Don't care 'bout your diet
If you're vegan or glut-free
Mine's all about eating every inch of your pussy
Deep down
I know you're feeling it
Desire
Rising between your legs
Let me
Take a sip and drown

Ouh girl
I don't wanna talk with you
I just wanna fuck, fuck, fuck
I know you too
Ouh girl

Now it's all about the truth
We just want to fuck, fuck, fuck
Until we swoon

My lips on yours
Us on cloud 9
We ain't getting off
On me you get down
Never stop
I like the way you dance, and
Love how you dare
When you say my name

Ouh girl
I don't wanna talk with you
I just wanna fuck, fuck, fuck
I know you too
Ouh girl
Now it's all about the truth
We just want to fuck, fuck, fuck
Until we swoon

Ouh girl
I don't want to talk with you
I won't need no words
When I'll feel your touch
When we'll be as one
