Dime quien lo pensaría atrevete
Ingléspanol con cara de árabe
Switching my style, bien trop instable
Chica quita, quita, quitate
Dime quien lo pensaria atrevete
Hablo Francéspanol, inglés, árabe
Mixing my tricks, ADHjdid
Bien trop d'inspi, I speed it, I speed

Pompom, pompom
Wagwan? I'm back at it
Respect me grind, I'm rhyming like I'm starvin'
I'll get the world, fuck up the matrix
Before I gotta go, I'll put my city in their spreadshits
Mira, mira, me lo curo cada día
Mira, mira, por nada lo cambiaría
Buenetastic, dance lit, alpha instinct
I'm Rilèsinternational, I can't sleep

If you can't do this shit right now then we gon' do it
We international baby, and it's about time
We gon' sit on top of the motherfuckin world!

Dime quien lo pensaría atrevete
Ingléspanol con cara de árabe
Switching my style, bien trop instable
Chica quita, quita, quitate
Dime quien lo pensaria atrevete
Hablo Francéspanol, inglés, árabe
Mixing my tricks, ADHjdid
Bien trop d'inspi, I speed it, I speed

What? Wait? Why the fuck you run?
Get another chance, watch out for the jinx
Issa thing, tourmaline
Gotta lotta rings, cannot feel the pain
Watchu think? We already in the plane
Got me rolling, rolling, rolling through the late night
Go in all directions when I don't know where to go
Yea I'm rolling, rolling, rolling, it's a trip flight
Deep inside me cabeza like it's around the globe

Dime quien lo pensaría atrevete
Ingléspanol con cara de árabe
Switching my style, bien trop instable
Chica quita, quita, quitate
Dime quien lo pensaria atrevete
Hablo Francéspanol, inglés, árabe
Mixing my tricks, ADHjdid

Bien trop d'inspi, I speed it, I speed

"You might think you can't be too creative

It's like... Oh... Oh yes you can

And it's very difficult for highly creative people to catalyse an identity,
because they are interested in everything"
