

SAVE MY MIND

Rilès

Kitsune imakoko ni
Mienai kono teki
Yoru ga kita ato ni
Mōhitotsu no kao ga dete
Nige tari wa shinai
Jikan dake ga tarinai
Tatakai owaranai
Ima koso Save my mind

Save my mind
Daremoshiranai
From my head
Kore ga owaru mae
But tonight
Konoyonohatemade
On my way
I will try not to lose my mind

Save my mind
Save my mind
I will not die from inside
I will try not to lose my mind
Save my mind
Save my mind
I will try not to lose my-

Save my mind
From all these demons I'm hiding
Heavy darkness in the light
It's not outside it's coming from myself
I'm fighting all night long, damn

Owaranai jō tei
Kono ore subete
Mata tatakai tsudzuke
Ashita ga mata kuru yo
Atama no naka made mada kake meguru yo
Koko kara doko made
Ima koso Save my mind

Save my mind
Daremoshiranai
From my head
Kore ga owaru mae
But tonight
Konoyonohatemade
On my way
I will try not to lose my mind

Save my mind
Save my mind
I will not die from inside
I will try not to lose my mind
Save my mind
Save my mind
I will try not to lose my mind

Save my mind
Save my mind
I will not die from inside
I will try not to lose my mind
Save my mind
Save my mind
