

Should I

Rilès

Why I wanna stay when they all leave?
Should I smoke your alcohol or drink some weed?
Shit, I'm confused, what the fuck Imma sayin'?
On your pussy Imma go super sayan.. sayan!

Should I stay sober until the end?
Should I get wasted until my mind's erased?
Even though reality gon' slap me straight
It's hand might break got too many things in my head, my head!
Should I make a song, or should I make three more
Should I be the best, or should I be the one
Should I stand still, or should I, should I run
My left hand got the keys, but the other got a gun
Should I feel a doubt when I'm watching the news
Should I fuck with industry or should I refuse
Should I tell everybody I love, "I love you"
Should I wake my problems up or should I hit snooze

Why I wanna stay when they all leave?
Should I smoke your alcohol or drink some weed?
Shit, I'm confused, what the fuck Imma sayin'?
On your pussy Imma go super sayan.. sayan!

Do I really need to fuck her now?
My mind's tricking my body on Negrita
I know what I gotta do to make her cry
Should I stay tonight, or should I say goodbye, goodbye
Should I love this girl? no I won't even try
Should I feel ashamed? no, but should I feel proud
Would I be the same if I wasn't that high, nigga
Should I be earthbounded when my head's in the sky
Should I be generous if I wanna be liked
Should I be omnipresent to keep up this psych
Should I be the first, or should I be the last one
Should I fuck up the game, or should I win this fight..

Why I wanna stay when they all leave?
Should I smoke your alcohol or drink some weed?
Shit, I'm confused, what the fuck Imma sayin'?
On your pussy Imma go super sayan.. sayan!
